CHANTS AND CHEERS

These are chants and cheers modified from those heard around North Central High School, in sports teams, at Panther Quest, etc. The title of the original is given in parentheses to help you learn the rhythm.

("Wisconsin Milk")

We conquered the Gauls, the Brits
We conquered that Carthage, too
 By sheer brute force
 Rome, Rome, Rome
 By sheer brute force
 Rome, Rome, Rome

Long spear...pilum!
Short spear...hasta!

("Peel the Orange")

Draw the sword, draw, draw the sword
Draw the sword, draw, draw the sword

Wave the sword, wave, wave the sword
Wave the sword, wave, wave the sword

Stab the sword, stab, stab the sword!
Stab the sword, stab, stab the sword!

(Shake Your Booty)

Hey, (name)!
Hey, quid!
Hey, (name)!
Hey, quid!

Quate praedam!
Minime!

Quate praedam!
Okay!

Sali, quate praedam!
Sali, sali, quate praedam!

("The E Chant from 2007 Panther Quest")

Who is that all toga'd up?
It's us, it's us!

You wish you had empire like us!
We tough, we tough!

'Cause we're out conquering foreign lands,
Sho-nuff, sho-nuff!

'Cause we're R-R-R-O-M-A-N-I
Romani!

("Ain't No Party")

Ain't no party
Like a toga party
'Cause a toga party don't stop

Ain't no party
Like an NC party
'Cause an NC party don't stop

("The A Chant from 2007 Panther Quest")

We party like the Romans,
We're the NC crew.
If you don't like it
We will march all over you.
So grab your swords and shields,
'Cause the battle's underway,
And when the dust has settled
You'll find NC's here to stay!

("NC Rumble")

Omnes, agite tumultum Romanum!

Omnes, agite tumultum Romanum!

Omnes...tumultum.
